WITH THE COMMONWEALTH EXPEDITIONARY FORCE

Chermside, 24th May 1916

My dear Mother

I received your welcome letter, and was glad to hear you were all well. I went out to see the Sharpe's last Saturday. They were pleased to see me and asked me to bring any of the Spire boys whenever I came again. They also wished to be remembered to all at home. As you can see we got a transfer to Chermside, We came over today, that is, Henry, I Gillespie and I. We tried to get into the

Artillery, but they only wanted drivers when they were selecting the other day, and I was too heavy for a driver, ~~and~~ they won't be around again for another ~~few~~ week, so I went into the Infantry. We are in the 5th Rfts of the 4th Batta. I don't think it will be long before we get home leave, I am not sure when ~~it~~ we will get it, but can let you know later on. When you write again let me know what Gramophone Records you want so as I can get them. Well Mother there is not much news to tell you, same old thing every day.

You can remember me to Harry and Billy, and let me know how Harry is keeping. Henry told me to tell you that he sent his insurance money home, so you will know, he wasn't long in getting rid of it when he found his belt again. Well Mother I will have to say good night with best love to yourself and all at home from your loving son
Henry
